Each section of the chapter has slides for students respond to verbally or on paper. Answers to the blanks appear with each mouseclick. This PowerPoint is for use with Chapter 5 (Routes of Exploration to the New World). I also have the study guide available that accompanies this PowerPoint. Look for more resourSubjects:Types:History Alive Chapter 5 Study Guideby I have created study guides for nearly all chapters of the 5th grade History Alive textbook titled America's Past. My students seem to benefit more from these fill-in-the-blank study guides than the Interactive Student Notebook. The study guide includes the terms to know from the beginning of the chapter as well as information from each section of the chapter. I also have a PowerPoint available that corresponds to this study guide. Thanks, Stephanie EllegoodSubjects:African Art for kids: Tribal Owl Templateby Do you want to include more diversity into your art curriculum and love abstract art? Well, if the answer is yes then you will absolutely love this Free African Tribal Owl template. This template is a great resource for grades 3-8 and can be used as a pre and post performance test using symmetrical balance or just an interactive coloring page for early finishers. This product along with many others listed in my store were used in my distance learning YouTube instructional video on African TribalPhanerozoic Eon Organism Projectby This project is mostly self-directed for students in a middle school science class.This project asks students to identify three organisms that lived during the Phanerozoic EonResearch and record these organisms' diets, habitats, time periods lived in, and similarities to organisms alive todayCreate an accurate illustration of one of organisms researchedTo be considered:Students should be (vaguely) familiar with the Phanerozoic EonStudents will need access to internet or books containing informatThis awesome science fiction short story is great for exploring beautifully executed literary devices and getting students to cite them such as: onomatopoeia and other sound words, concrete imagery, metaphors, similes, and dramatic irony. Students read a very short, very well-written short story "There Will Come Soft Rains" by Ray Bradbury that is available free online. It was written in 1950 about a futuristic "smart home" that is alive with automation, but otherwise the occupants have perishedKid President Pep Talk Reflection Printable FREEBIEby After watching Kid President's Pep Talk to Teachers and Students, my students and I discussed how Robby (KP) was changing the world with his inspirational Youtube videos. Then, we took some time to reflect on the ways in which we as individuals were changing the world. My third graders used this PDF to free write about the ways they were changing the world. I received comments like: "I am teaching everyone to help each other and be nice. No bullies." "I am teaching the world to be a betterSubjects:Womens History Month FREE Activityby Women's History Month Free Activity.
